

MINI 150

Scent Diffuser User Guide

Features:

- State-of-the-art cold-air diffusion
- Light-controlled misting or 24-hour operation
- 4 scent concentration levels to accommodate spaces up to 3532 cubic feet
- Easy unscrew access of oil bottle for refill and maintenance of unit
- Sleek and sophisticated plug in provides easy mobility to desired area

Safety:

The following basic safety precautions should always be observed.

- Please keep the machine vertical. Tilting or lying flat will cause oil spillage and may affect machine efficiency.
- Clean the machine periodically with alcohol, especially when changing to a different fragrance oil.
- Machine Warranty One-year providing customer uses oils created by Scented Interiors By Design, Ltd.

Note: Our oils are specifically designed to work with each of our scent diffusing systems. Use of any oils other than those made by Scented Interiors By Design may damage the machine.
